

Nature Mobiles

Every child loves to be outside, rain or shine, cold or hot. Take advantage of your child's desire to be outside and enjoy a walk together to gather nature treasures to make a mobile.

No doubt your child already stops and anything that strikes his interest, now you can help focus your child's observation on the beauty of nature and noticing how the changing weather and light change trees, bushes and flowers.

Simply tie leaves, pinecones, flowers or anything else you find onto a branch with string or yarn. Tie a length of yarn about two feet long to each end of branch to create a hanger.

You and your child will enjoy hanging your beautiful mobile in a place where it can be seen often so you can remember your fun fall walks outside.

You Will Need

- Tree branch about 12" long
- String or yarn
- Several items collected on a nature walk

Skills

- Fine motor skills
- Eye-hand coordination
- Creativity
- Sensory and tactile experience
- Color concepts
- Appreciation for natural sciences
