Floating Art

Watch your child discover painting with floating “paint” made from grated colored chalk. Start by finely grating one color of chalk onto a shallow dish of water. Place a sheet of construction paper over the floating chalk for a MOMENT then quickly lift off. Your child has made a print of the design that was floating on the water. Now add grated chalk of another color and watch a new color emerge.

You Will Need

- Construction paper
- Colored chalk
- Grater (Adult use only!)
- Shallow dish with water

Skills

- Fine motor skills
- Eye-hand coordination
- Creativity
- Sensory and tactile experience
- Cause and effect
- Color concepts
